

BUILD A HIGH PERFORMING TEAM

with **TEAMWORK COACHING**

An innovative way to build strengths and reframe weaknesses

Whether you're looking to elevate your team's performance to the next level or you're struggling with communication, cohesion, turnover, or low engagement, Teamwork Coaching makes an immediate and lasting impact.

Our engagement will diagnose your individual and team strengths with the Strengthscope™ Assessment Inventory, as well as proactively plan ways to close gaps. The outcome is a higher - performing team that values every person in the workspace.

ENGAGEMENT OVERVIEW

- Discovery and analysis with Strengthscope™ Assessments
- Onsite team coaching and debriefing
- 90 Day sustainable coaching and reflective learning

As a practicing physician and a past CMO, I have the opportunity to work with a highly diverse group of people with a variety of communication styles and lots of strong opinions. The teamwork coaching assessment and workshop provided me with great insight and helped me clearly understand how to leverage my personal strengths to work more effectively. Amazing!
